Very dear Mrs. Münz

I might anticipate you by hereby already confirming that my answer to your next question will be the same as my last one, nevertheless I would still like to ask you to ask your question as planned, although you now already know the answer to it, because I do so enjoy writing with you and without our dialogue nothing else would remain for me but to fall back into talking to myself again, in which I also never arrive at any different answer, whereas through the conversation with you I at least have something to do.

Thank you

Sebastian

Sehr geehrte Frau Münz

Ich mag Ihnen zuvor kommen, wenn ich hiermit schon bestätige dass meine Antwort auf Ihre nächste Frage die gleiche ist wie auch meine letzte, dennoch möchte ich Sie doch bitten, Ihre Frage wie geplant zu stellen, obwohl Sie ja jetzt die Antwort darauf kennen, da ich doch so gerne mit Ihnen schreibe und ganz ohne unseren Dialog mir nichts anderes übrig bliebe wieder in Selbstgespräche zu verfallen, in denen ich ja auch auf keine andere Antwort komme, wogegen ich durch das Gespräch mit Ihnen wenigstens etwas zu tun habe.

Danke

Sebastian
