with the support of Pro Helvetia, the Arts Council of Switzerland

December 1 through 4, 1994
at the Tribeca Performing Arts Center, New York City

The Swiss dance scene today shows unprecedented vitality. The Sixth Swiss Dance Festival 1994 presents five of Switzerland's best solo dancers, two from the French-speaking and three from the German-speaking areas. While the German program is shaped by a keen and consistent exchange with the American improvisational scene, the French program shows an engagingly narrative approach to dance.
