01 through 27 July 2001

Team will present a group exhibition entitled *Perfunctory* from the 1st through the 27th of July 2001. The show is made up of new work by Katherine Bernhardt, Carol Bove, Jack Featherly, Maria Friberg, Ross Knight and Anna Sew Hoy.

Entering the July sweepstakes for casually-put-together-emerging-artist-summer-group-shows in New York is our effort entitled *Perfunctory*. There are new works by three gallery artists, who are here accompanied by three artists from other galleries. As is usual for group shows of this type, we claim that there are formal relationships and content keywords that unite much of the work. Bernhardt and Featherly provide new paintings; Knight an orange booth construction; Sew Hoy new assemblage sculptures; Bove supplies a spanking new retro installation environment; and Maria Friberg a spooky claustrophobic video work.

This is a hot group show people! (But then again we guess everyone else says the same thing.)

Team is located at 527 West 26th Street, on the ground floor. Gallery hours are Tuesday through Friday, 11am to 6pm. For further information and/or photographs, please call the gallery at 212.279.9219.
