

**“EDEN”**

May – November, 2010

Kim? Contemporary Art Centre, Riga

A project by the scenographer Rūdolfs Bekičs, fashion designer's duo Mareunrol's (Marīte Mastiņa and Rolands Pēterkops), artist Kaspars Groševs and light artist Krišjānis Strazdīts inhabits the semi-abandoned warehouse-ruins in the courtyard of Kim? Contemporary Art Centre in Spīķeri district. “Eden” functions as a kind of "hotel". But exactly how Eden will work will be up to everyone to check in, check in and check out.
