

This image is a complex collage centered around New Zealand stock market information. At the top, there are two tables of NZX Market Shares, listing companies like ATM, ABA, AFT, etc., along with their closing quotes, dividends, and P/E ratios. Below these tables, a large newspaper clipping features a headline "A2 Milk sets record mark with volumes up after election lull" and a sub-headline "New Zealand shares gained...". The article discusses the performance of A2 Milk and the broader market following an election. To the right of the main article, there's another smaller article titled "Biggest 10 FALLS". Overlaid on the entire page are numerous handwritten elements: large numbers like "7887.18", "16.7", "4.0", "2.5", "12.6", "2.7", and "0"; names such as "Mano", "Alex", "KERR", "D-Lane", "R Bayliss", and "CAR PARK"; and phrases like "long space & big decreasing dimensions", "WAKA", and "NZDX". There are also several hand-drawn sketches, including a multi-tiered pagoda-like structure in the center and some abstract shapes at the bottom. The overall composition suggests a personal or analytical record-keeping project related to the New Zealand economy and markets.

1 Rockaball No shame bawling to Benio Ben last weekend. Marble Fairy loves him. Top pick; 4 Erin Jacka Brett Gray now putting the polish on. Home in 56.4 to win workout here. Respect; 2 Western Delight Early bum weakened his finish here Sep 7. First-up 3rd the pointer. DD sticks; 5 Mighty Empire New trainer. Bubbling under but often finds several too sharp.
