Metaphotical Spectra: Index, 2026
Border Leicester/California Variegated Mutant/Rambouillet hybrid (Peppermint Patty), California Variegated Mutant/Rambouillet/Cotswold/Border Leicester hybrid (Daisy), Cotswold (Petunia), Cotswold (Rupert), Lionhead (Beatrix & Derek), Romeldale/California Variegated Mutant (Koso), Romeldale/California Variegated Mutant (Natasha), Romeldale/California Variegated Mutant (Vaniah), and Vicuña fibers; silk noils, Mulberry silk, and Tussah silk fibers; holographic polymers, prismatic polymers, photo-luminescent recycled polyester, and stainless steel fibers; banana cellulose, bamboo, bamboo carbon fiber, Ingeo corn top, and pineapple fibers; pine
63 x 63 in. Overall
12 x 12 in. Unit
(13 units)

CHANNING HANSEN
Light Reading, 2026
Border Leicester/California Variegated Mutant/Rambouillet hybrid (Peppermint Patty), California Variegated Mutant/Rambouillet/Cotswold/Border Leicester hybrid (Daisy), Cotswold (Petunia), Romeldale/California Variegated Mutant (Vaniah), and Vicuña fibers; silk noils,

Mulberry silk, and Tussah silk fibers; holographic polymers, prismatic polymers, photo-luminescent recycled polyester, and stainless steel fibers; banana cellulose, bamboo, bamboo carbon fiber, and pineapple fibers; pine
40 x 35 in.

CHANNING HANSEN
Optical Ontology, 2026
California Variegated Mutant/Rambouillet/Cotswold/Border Leicester hybrid (Daisy), Cotswold (Petunia), Lionhead (Beatrix & Derek), Romeldale/California Variegated Mutant (Natasha), Romeldale/California Variegated Mutant (Vaniah), and Vicuña fibers; silk noils, and Tussah silk fibers; holographic polymers, prismatic polymers, and stainless steel fibers; bamboo, bamboo carbon fiber, Ingeo corn top, and pineapple fibers; pine
37 x 37 in.

CHANNING HANSEN
Sol Purpose, 2026
Border Leicester/California Variegated Mutant/Rambouillet hybrid (Peppermint Patty), California Variegated Mutant/ Rambouillet/Cotswold/Border Leicester hybrid (Daisy), Lionhead (Beatrix & Derek), Romeldale/California Variegated Mutant (Koso), Romeldale/California Variegated Mutant (Natasha), and Vicuña fibers; silk noils, and Mulberry silk fibers; holographic polymers, prismatic polymers, and stainless steel fibers; bamboo carbon fiber, Ingeo corn top, and pineapple fibers; pine
37 x 36 in.

CHANNING HANSEN
Unknot Knowing, 2026
Border Leicester/California Variegated Mutant/Rambouillet hybrid (Peppermint Patty), California Variegated Mutant/Rambouillet/Cotswold/Border Leicester hybrid (Daisy), Cotswold (Petunia), Cotswold (Rupert), Romeldale/California Variegated Mutant (Koso), Romeldale/California Variegated Mutant (Natasha), Romeldale/California Variegated Mutant (Vaniah), and Vicuña fibers; silk noils, Mulberry silk, and Tussah silk fibers; holographic polymers, prismatic polymers, photo-luminescent recycled polyester, and stainless steel fibers; banana cellulose, bamboo, bamboo carbon fiber, Ingeo corn top, and pineapple fibers; pine
38 x 38 in.

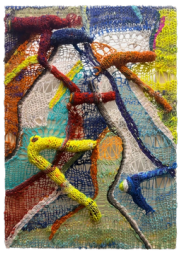

CHANNING HANSEN
G to the Power of D, 2026
Border Leicester/California Variegated Mutant/Rambouillet hybrid (Peppermint Patty), Cotswold (Petunia), Cotswold (Rupert), Romeldale/California Variegated Mutant (Koso), Romeldale/California Variegated Mutant (Natasha), and Vicuña fibers; silk noils, Mulberry silk, and Tussah silk fibers; holographic polymers, prismatic polymers, and stainless steel fibers; banana cellulose, bamboo, bamboo carbon fiber, and pineapple fibers; pine
38 x 42 in.

CHANNING HANSEN
Mutually Assured Emanations, 2026
California Variegated Mutant/Rambouillet/Cotswold/Border Leicester hybrid (Daisy), Cotswold (Petunia), Cotswold (Rupert), Romeldale/California Variegated Mutant (Koso), Romeldale/California Variegated Mutant (Natasha), and Vicuña fibers; silk noils, Mulberry silk, and Tussah silk fibers; holographic polymers, prismatic polymers, photo-luminescent recycled polyester, and stainless steel fibers; banana cellulose, bamboo, bamboo carbon fiber, Ingeo corn top, and pineapple fibers; pine
37 x 38 in.

CHANNING HANSEN
Becoming the Thing Measured, 2026
Border Leicester/California Variegated Mutant/Rambouillet hybrid (Peppermint Patty), Cotswold (Rupert), Romeldale/California Variegated Mutant (Koso), Romeldale/California Variegated Mutant (Natasha), and Vicuña fibers; silk noils, and Tussah silk fibers; holographic polymers, prismatic polymers, and stainless steel fibers; banana cellulose, bamboo, and bamboo carbon fibers, pine
35 x 31 in.

CHANNING HANSEN
Accidental Gnosis, 2026
Cotswold (Petunia), Cotswold (Rupert), Lionhead (Beatrix & Derek), Romeldale/California Variegated Mutant (Koso), and Vicuña fibers; silk noils, and Tussah silk fibers; holographic polymers, prismatic polymers, and stainless steel fibers; banana cellulose, bamboo, bamboo carbon fiber, and pineapple fibers; pine
33 x 23 in.

CHANNING HANSEN
Spherical Study #13, 2025
California Variegated Mutant (Koso), California Variegated Mutant (Sedge), Cotswold (Nora), Cotswold (Padme), Lionhead (Beatrix & Derek), Romeldale (Shelby), and Romedale (Theia) fibers; Tussah silk and silk noils; holographic polymers and stainless steel fibers; bamboo carbon fiber, pearl-infused cellulose, pineapple fiber, soy silk, and Amethyst (SiO_2)
9 x 9 x 9 in. Larger unit
4 1/2 x 9 x 6 in. Smaller unit
(2 units)

CHANNING HANSEN
Light When Nobody's Watching, 2026
Cotswold (Petunia), Cotswold (Rupert), Lionhead (Beatrix & Derek), Romeldale/California Variegated Mutant (Koso), Romeldale/California Variegated Mutant (Natasha), and Vicuña fibers; silk noils, Mulberry silk, and Tussah silk fibers; holographic polymers, prismatic polymers, and stainless steel fibers; banana cellulose, bamboo, bamboo carbon fiber, and Ingeo corn top fibers; pine
36 x 26 in.

CHANNING HANSEN
A Few Photons Short of Enlightenment, 2026
Border Leicester/California Variegated Mutant/Rambouillet hybrid (Peppermint Patty), Cotswold (Petunia), Cotswold (Rupert), Lionhead (Beatrix & Derek), Romeldale/California Variegated Mutant (Koso), Romeldale/California Variegated Mutant (Natasha), and Vicuña fibers; silk noils, and Mulberry silk fibers; holographic polymers, prismatic polymers, and stainless steel fibers; banana cellulose, bamboo, bamboo carbon fiber, and pineapple fibers; pine
23 x 23 in.
