There are four smell pieces in the show:
36. Rose Water in Silver Chloride and Chalk
37. Palo Santo, Mexican coconut bark burnt to appease the ghost inhabiting *kim?*
38. Curcuma, thrown onto the wall to blot 'VVLVA VLVLA'. Curcuma clots blood.
39. Durian aroma, poured onto the Halo-Halo and Agar-Agar on the wooden Lectern
(Durian is infamous for apparently smelling like rotting garbage.)

And all your courtly civet cats can vent Perfume to you, to me is excrement.
-Alexander Pope, *Epilogue to the Satires*

Three Pieces have gone missing, please find them for yourselves.
