MISAKO & ROSEN is pleased to announce Shimon Minamikawa's exhibition "And another story about painting". The exhibition will consist of the latest iteration of Minamikawa's signboard paintings as well as new work in the media of photography, film and painting. While varied in media, the exhibition, as suggested in the aforementioned title, is one form for the presentation of Minamikawa's further considerations of contemporary painting. Recently, Minamikawa has taken part in the group exhibitions "Artist File 2015", National Museum of Modern and Contemporary Art, Seoul and The National Art Center, Tokyo and "Painting 2.0", Museum Brandhorst, Munich (with Ei Arakawa) (all 2015-16); "2.0" will travel to MUMOK, Vienna in the summer of 2016. Recent collaborative performances with Arakawa include "Forever Now" (presented by Seira at Dan Graham's "Two-Way Mirror Hedge, Almost Complete Circle"),

K21, Düsseldorf and "Cyber Cafe and Digiscope Painting" at Whitney  
Block Party Whitney Museum of American Art, New York (both 2015).
