AM Love  
Lito Kattou & Petros  
Moris  
music by Jay Glass Dubs

Wednesday 19  
December, 7-9:30 pm

AM is a zine of literature,  
poetry and theory that  
brings together texts  
which are now in the  
public domain,  
constructing an intimate  
anthology of readings  
related to each issue's  
subject. The first issue,  
titled Love collects texts  
originating from antiquity  
to the mid 20th century.  
AM is produced in the

hours before noon,  
between Andrea Metaxa  
and Agiou Markou St,  
Athens.

Parallel to being a  
publication project, AM  
functions as a  
collaborative workshop for  
the production of objects.  
For the launch of Love at  
Radio Athènes, AM is  
presenting a series of  
hand-blown glass vases  
and lamps, featuring  
ornamental texts based on  
freeware online-found  
fonts, derived from the  
publication's titles.

This end-of-season  
evening will  
be accompanied by the  
sounds of a mixtape  
curated by Jay Glass  
Dubs, inspired by the  
zine's texts.

AM is run by Lito Kattou  
and Petros Moris.
