“We not”

6 June – 23 August 2014

We are pleased to announce an exhibition of collaborative works by Cosima von Bonin, Michael Krebber and Sergej Jensen at our gallery's two addresses in Cologne. We can only make assumptions and leave it up to the viewer to decide if the title "We not", chosen by the artists for their exhibition, relates to a notion that one cannot merge into a community, that three cannot become one.
