Vincent Fecteau

3 June – 20 August

With an exhibition to present Vincent Fecteau's new book *you have did the right thing when you put that skylight in*, Galerie Buchholz shows works by the artist from 2002-2015. This book, conceived and published in parallel with his exhibition at Kunsthalle Basel in 2015, features many of the works on view. Currently, an exhibition of new works by Vincent Fecteau is on view at Secession in Vienna (through August 28).
