Benjamin Echeverria

Bad Reputation  
September 20 - November 22, 2020

Bad Reputation is pleased to present *Pose Falls*, an exhibition by Benjamin Echeverria.

The paintings in this exhibition pursue doing by undoing: two-sided material is cut, rearranged, traced, reconfigured, and hemmed together with oil paint. In these new works there are disc-like forms both static and in procession. Indexical marks, separated from intention and settled into seams, center the activity.

Benjamin Echeverria was born in 1980 and lives in Los Angeles. Recent solo exhibitions include *Cups*, Parapet Real Humans St Louis, MO, 2020; *Six Sculptures*, Locker, Los Angeles, CA, 2019; and *C.A.R.*, Green Drawing, Willie Mays, The Terror of Evidence, 3939, No Smoke, Bubbler, Corners Brought to Middle at Galerie Parisa Kind, Frankfurt am Main, 2019. His work has been included in group exhibitions at the University of Richmond Museums, VA, 2018; Yerba Buena Center for the Arts, San Francisco, CA, 2014; 356 Mission Los Angeles, CA, 2014; and 2nd floor projects, San Francisco, CA, 2011.
