MASIST GÜL

Banu Cennetoğlu and Philippine Hoegen

23. May 2008 – 8. June 2008

Bodybuilder, poet, painter: these and other occupations describe Masist Gül even if he remains best known as a Turkish actor of Armenian origin. His passing has left behind a large number of collages, drawings, poems and artworks. His estate is presented in the exhibition curated by Banu Cennetoğlu and Philippine Hoegen.
