CAMILLE HENROT

Snake Grass

5. April 2014 – 11. May 2014

Schinkel Pavillon presents the first institutional solo exhibition in Germany of the French artist Camille Henrot (*1978 in Paris). The exhibition Snake Grass combines two different works. In the vitreous octagon, which defines the heart of the building, new works of the sculpture series *Is it possible to be a revolutionary and like flowers?* (since 2011) will be on display. In addition, Schinkel Pavillon will open the former Schinkel Klausen in its souterrain for the first time and screen *The Strife of Love in a Dream* (2011, 11 min.). The exhibition is curated by Clara Meister. Exhibition architecture by S.T.I.F.F. (Ganssauge & Steininger).
