#SPIKOW2

June 13 • 6-9PM

On 12/13/14 Lindsey Whittle and Clint Basinger had their wedding reception at the CAC titled #spikow. They saw this as a way to curate a museum experience in a night, in case they never showed their artwork in a museum. That night, they asked many of their friends to give them performances at the wedding as a wedding gift. This event has become legend in their circle and many people they have met since wish they could have attended. Since their marriage is a foundation for much of Whittle's work, it felt right to revisit the ideas of that night and evolve the performance experience that happened in 2014 now that Whittle is part of a show in that very same museum.
