

Constantina Zavitsanos, *L&D Motel*

Organized by Alex Fleming and Andrew Kachel

September 15 - October 20, 2019

CHECKLIST

1. *Boxed Bet*, 2019
Transmission holograms, acrylic mounts, 5mW red laser
2 in x 3 in x dimensions variable

NOTE: The display case itself, as well as its contents, are fragile. The case should not be leaned on or touched in any way.

2. *Call to Post*, 2019
Infrasonic ramp: plywood, sound, transducers, wire
20 ft x 11.5 ft x 5 ft (with curve)

- 2a. *All the time*, 2019
HD video: two channel open captions for speech at or above 20 Hz
Dimensions variable

NOTE: The ramp is built to the ADA standard of a five percent grade but it does not have handrails as to allow for seating on its sides; please use caution if traversing its surface. *Call to Post* is largely an infrasonic sound piece that may be felt and touched. There are a few vibrations in the ramp that some may find intense if engaged directly through bodily touch.
