Murase’s drawings give off the sense of having been drawn very much at ease. Here, drawing, applying color and realizing this all in a single frame—in other words, the essential elements of painting—are developed free of any restrictions. At times, a flower petal or a magazine scrap is pasted to the surface of the drawing; such an element allows us to see Murase probing the possibilities of her work. This quality has won her high praise, and we invite you to take this opportunity to see her drawings, which are open to a rich array of interpretations.

Murase’s work will also be exhibited at “Takahashi Collection 2014: Mindfulness!” (Nagoya City Art Museum, April 12-June 8, 2014) and “Kon! Kon! Kon!” (Zenkyoan x FOIL contemporary art group exhibition, Kyoto, April 27-May 6). For further details about these exhibitions, please contact the exhibition spaces directly. (Nagoya City Art
