FOR IMMEDIATE RELEASE

DUH ANGEL LIVE @ FREDDY (with electrolytes)

R. Lyon and Jessie Stead
Saturday, August 1st, 2015 @ 7pm

Following vaguely similar performances taking place recently in Los Angeles and New York, Duh Angel LIVE @ Freddy (with electrolytes) will feature signature bottled cocktails in a limited edition and a live reading by local models.

Duh Angel is the third title of the JS/RL Periodicals, a series of eleven books publishing years of the collaborators' text messages; channeling out-of-body communication experiments into a variety of unanticipated, higher formats.
