

# EX SITU CANIS LATRANS • RUBEN ULISES RODRIGUEZ MONTTOYA

## 1. A Being Mistakenly Called “La Nave de Kylo Ren”, 2021

Dimensions: 47” x 25” x 16”

### Materials:

Cannibalized goat leg, horn tips, white and black zip ties, two black t-shirts, rabbit pelt, motorcycle part of a man with an inflated ego driving too fast on a sharp turn on McNutt Rd. Blue disposable shaving stick, black twine that Gabrielle braided, welding rod, white car part laying next to a palm tree while Karla and I were on route to get boba. That was the day I told her of the white gay from Tiktok that choked on boba and how much I loved the work of Teresa Margolles and Ivana Basic. Pigmented dragon skin silicone, sandrock with motor oil that I found next to a Family Dollar that leads to the border wall and then to Anapra in Juarez Mx. White shell of a boom box the day we went to Jalisco Bar and got so drunk we had to pee in between two cars because we wouldn't make it home

## 2. Tlahuelpuchi, 2021

Dimensions Variable

### Materials:

Car parts from; Juarez, New Mexico, and the LA highway. Welding rods, Karla's pants, Allison's lil t-shirt and nest, lint from Rossen's house, black and white zip ties, horn tips, dragon skin silicone smeared by Morgan, styrofoam from the many Uber eats orders in Mexico, styrofoam after having seen Humna Bhabha in NYC, styrofoam of someone who bought a new TV, and dropped the packaging on the desert that meets Mount Cristo Rey. Sergios tire, twine, stainless steel zip ties, rabbit pelts, golf balls

## Vampitxs (Edition 01), 2021
