Claire Dunphy: *Okay, stop it! Stop it! Everyone, listen. This took me forever to put together, so I don't really care who kissed who and who's got a pimple on her head... and who is wearing an outrageously inappropriate dress. We are gonna get together and act like a normal family... for one-tenth of a freaking second, and we're gonna do it right now.*

Mitchell Pritchett: *Get your hands off of me.*

Claire Dunphy: *No. No. Make me. Make me.*

Jay Pritchett: *Ah, this is ridiculous. You're both uptight about everything. You [looks at Mitchell] didn't want to go to a wedding with him because you didn't want to make small talk? That's how I met Gloria. Do you remember the first thing I said to you?*

Gloria Maria Ramirez Delgado-Pritchett: *Yes. "I like chocolate, I like fruit, but not together."*

Jay Pritchett: *You couldn't come up with that, Ivy League? And you [facing Claire]. You would be a lot happier if you weren't so obsessed with everything being perfect. Look at us here all in white. What are we, a cricket team? News flash. Life is not perfect, Claire.*
