

Hand Painted Pictures

—Ryan Nault

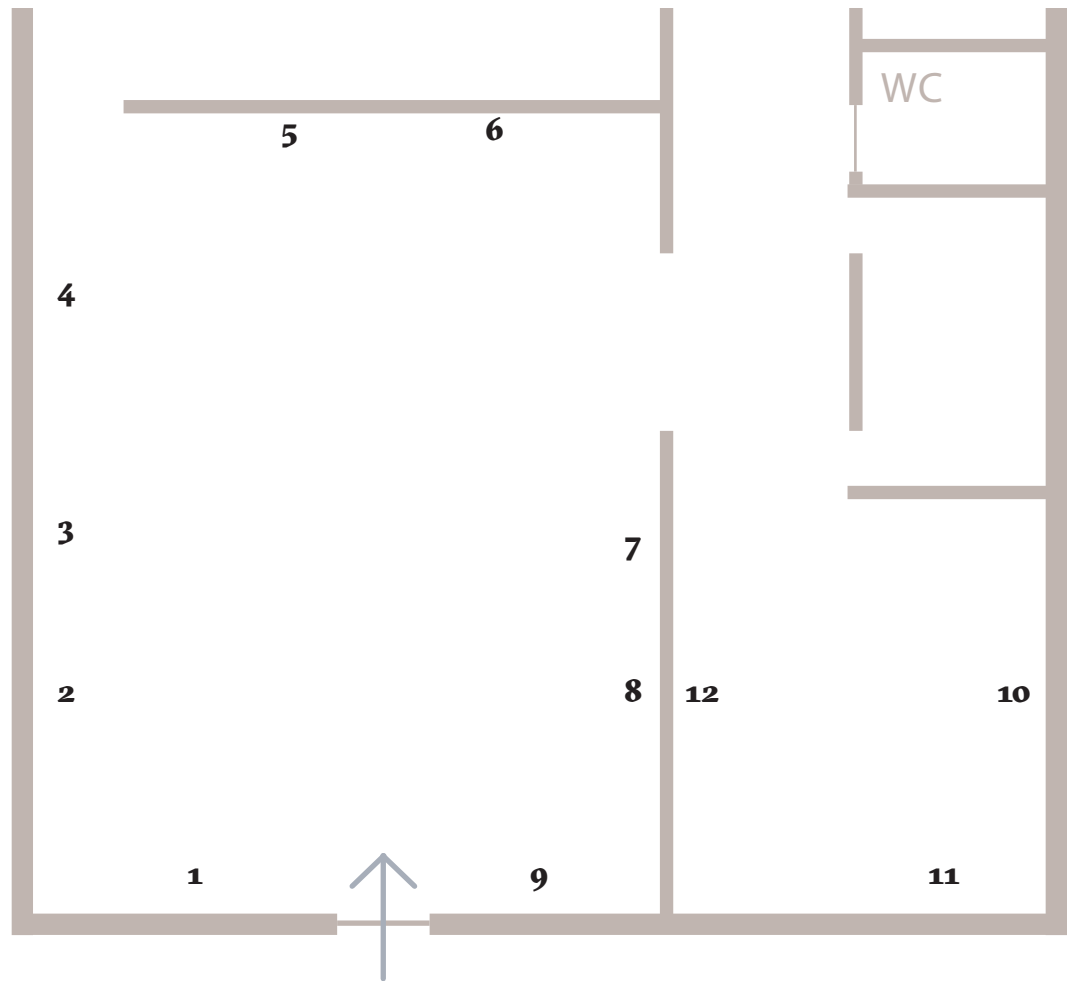

September 18 – November 7, 2021

MICKEY is pleased to present *Hand Painted Pictures* an exhibition of new paintings from Ryan Nault.

Hand Painted Pictures features a selection Nault's uniformly sized and modest gouache paintings. With a dreamlike sensibility and illustrative hand, the works present a warped reality. Nault's paintings exist in the space between the beautiful and the eerie.

Ryan Nault (b. 1991 in Grand Rapids, MI) is a painter currently living and working in Chicago. Recent exhibitions include *The Long Dream* at Museum of Contemporary Art Chicago, *Operator?* at Soul Cairn Projects (Hong Kong) *The Storytellers* at Carrie Secrist (Chicago) and *Possessed* at Bar4000(Chicago).
