I consume something  
floating in the ether

Wells Fargo Bank Depressive silence

The healing power of gemstones and crystals

Save me now

A pixel filled watering hole

Summer of love 2021

Going hard

For what

Deep distance

Drifting and enduring

Astral projection  
or astral presence?

Ricochet  
thru the bird chirping void

Sounds of the dawn

*A cosmic song of regal majesty*

“She’s a poet she’s a Passion flower”

Powerful beyond measure and there’s nothing you can do about it

Inner unquestionable

Truth and beauty

The vast cool shore

God is as shy as me and you

All you need to do

All you need to do

Is Type "I believe in myself"
