

Bureaucracy Studies / English

Moosje M Goosen is a Dutch writer and artist.

She is showing a text

on the walls of Bureaucracy Studies.

The text has the title “On Wards”.

Goosen spent a lot of time on hospital wards because she received a lung transplant.

Inside a green circle is a blue circle.

The blue circle is pulsating.

The circle represents breathing:

In and out, in and out, and so on.

The exhibition “On Wards” by Moosje M Goosen takes place at Bureaucracy Studies from 11 November to 19 December 2021.

The exhibition is open every Sunday from 4 to 6 pm and by appointment.

The exhibition is supported by the Fondation Nestlé pour l’Art.

This is the logo of the foundation:

Bureaucracy Studies is supported by the Canton de Vaud, the Ville de Lausanne and the Fondation Casino Barrière Montreux.
