Broken Ensemble:
War Damaged Musical Instruments
(Brass Section)

New installation by Susan Philipsz, 2010 Turner Prize winner. The Berlin based artist creates an acoustic environment related to the particularities of Eastside Projects' 1918 industrial building, testing the sounds of brass musical instruments damaged in World War I.

Rafał Zar

Old Hill
Uprising

An exhibition of extraordinary new paintings by Sandwell based Polish artist Rafał Zar, awarded the 2014 ESP Members Show. Zar's paintings depict dehumanised symbols of a melancholic, nostalgic, sentimental darkness captured in a cartoon like reality just this side of an unrelenting emptiness.

Public previews, Friday 19 September, 6-8pm
