

Ron

The other night  
at the bar  
down the street  
this guy named  
Ron asked,  
"How long you guys been together?"  
I said,  
"We're not together. She's my sister."  
He said,  
"Oh, I knew there was something between you two. My  
guess is that you were married to each other in a past  
life."  
I said to my sister,  
"I thought they only did that in West Virginia."  
Then we all laughed  
and sipped our drinks.
