November 23, 2019 – January 12, 2020
PAGE (NYC), 368 Broadway, #511, NY
Opening Saturday, November 23rd, 6–8pm

Page presents Club Damfino: a blockbuster lineup of five painters. The works are a testament to the power and glamour of image. Each picture is a new invention arranged with unexpected results.

Charline von Heyl names the show after Hollywood star Buster Keaton. Like her own titles slyly leading toward a punchline or playing red herring. This survey melts an action figure and leaves its bits suspended in a pool of plasma.
