NICOLAS ACKERMAN
THE STORY OF THE FIELD**

Galerie Joseph Tang is please to present the first solo gallery exhibition by American artist Nicolas Ackerman in France. The exhibition focuses on Ackerman's recent paintings realised during the period of 2020-2022. The paintings explore the idea of the "between space", a record of the sudden rupture of time. The sentience between inertia and the chaotic flux of quantum fields; a story inspired by, as much as written, to describe these uncertain times.

Nicolas Ackerman (b.1985, Minnesota) lives and works in New Jersey. He graduated with a Master degree in painting at the California College of Arts and Crafts in San Francisco in 2000. His work is in the collection Fond de dotation Famille Moulin of the Fondation d'entreprise Galeries Lafayette in France.
