

*Olivia Leiter: Notes on Circumference and Stop, Blue*

*Duel Book Launch: May 10 – May 16, 2021*

The Fulcrum Press is pleased to announce the launch of *Notes on Circumference* and *Stop, Blue*, two books by Olivia Leiter.

*Notes on Circumference* and *Stop, Blue* explore the ways ideas are gestural and embodied, weaving together film, visual art, literature and personal experience. *Notes on Circumference* circles around an Emily Dickinson quote, “my business is circumference,” to discuss infrastructure, framing, walking backwards on the escalator in the mall and other moments of disorientation. *Stop, Blue* focuses on shaky foundations, plumbing, anxiety about the future, ruptures and holes.
