Press Release

Terrazzo magazine (10 issues, 1988-1995) was conceived and produced by Ettore Sottsass in conjunction with Barbara Radice, Christoph Radl, Anna Wagner and Santi Caleca. It focused on architecture and design, with an accent on contemporary works, within Italy and abroad. A vast array of disciplines were touched on, including literature, poetry, history, science, philosophy, art and anthropology.

In mostra sono esposti i primi dieci numeri (senza i tre numeri monografici che presentano una diversa veste grafica e immagini della redazione al lavoro).
