

Christina Leung: Slurve

10/22/17 — 11/20/17

All the details are changing right out from under. Measurements, all just a guesstimation. 10 inches, 21, 27, 36. A bajillion doll heirs, sight unseen, without ever even having ever.

Sloppy curves, a flitch of the wrist. Slurpy urves. Sloupy loops. Rolls off the tune. Circling approximations. It's degrees and kinds of likes and types. C c J U () v V. The bend to bend all ends. The bend to [b]end all bends. Searching lines for the generic.

Something like but not exactly:

*"I wish I could get caught up on my homework so I can start dating again; I wish I could get caught up on my dating so I can start doing homework again." user: Silverwing171
([english.stackexchange.com/questions incomplete](http://english.stackexchange.com/questions/incomplete))*

Christina Leung (b. Lexington KY), lives and works in New York. Completed her MFA at Cornell University, NY in 2013.
