

## Projection

11/06/09

Projection is a curated program of screenings, compiled by Cleopatra's, featuring 33 emerging artists and filmmakers. The screening consists of 3-minute, black-and-white silent videos produced in response to the phrase Future Tense. The silent reel will be shown in a group show organized by MaxHansDaniel at AutoCenter in Berlin and will make its US debut at the benefit for Independent Curators International in New York. iCi will present the reel again at the New Art Dealers Alliance (NADA) Art Fair in Miami in December.
