Title for the show:

Mystery Box

Dates:

August 4th -August 28th , 2022

Venue:

New Toni Press

<http://www.new-toni.press/>

Immanuelkirchstraße 15

10405 Berlin

Press release:

On display in the window space of New Toni, an exhibition by the artists Georgina Hill and Maximilian Schmoetzer. Mystery Box departs from addressing prevalent driving forces of progress and reassurance, when crises have questioned the existence of a sustainable pathway for a long time already. The exhibition does not call for direct political action, but offers a refuge and microcosm on its own. Curated by Antonia Breme and Christian Luebbert.
