Bedros Yeretizian  
3 September – 16 October 2022

The horseshoes were purchased from a ranch and shipped directly to the gallery to be assembled into the pastoral constructions you see here. The residue of dirt and shit reinforces their credibility beyond decorative pastiche.

The posters advertise a recent album by a band I play in. They were originally presented on the exterior of a gallery in Marseille as part of a group show. Here, they're shown inside, renewed by the fact that the gallerist is also in the band.
