DISTANT LOVER

23/09/22 - 25/11/22
 Vernissage 23/09/22 18h
 Finissage 26/11/22 18h
 *(Publikationslaunch & Präsentation von 4 & 8)

The killer has spoken and will place the hunted down treasure at your feet. Not going past it without thinking of the butterflies they retrieved from it. The first cut is the deepest.
 Having a shower will save you from yourself. Otherwise have a seat.
 Around the corner no checker board is waiting for no one. Someone is missing.
 But sandy beaches will comfort you, too.
 You had it coming!
 If you desire to approach the arrangement, find yourself walking towards it. Circling around, maybe gawking outside the window. Mark a spot somewhere and squint in fading memories of the already gone sunset.
 I'm tired. Are you tired? You can sit on this chair..
 Try a piece, some rest for your neck, maybe a support for your back, your leg can also stay.
 Be my guest.
 Maybe lean over the big old horse. Feels like business class. No strings attached.
