Jordan Halsall is based in Melbourne. Using sculpture and painting, he utilises art's capacity to represent dissonant ideologies in order to critically address computational-based progress. The work journeys through optimisation, growth and technological change.

Recent Exhibitions include *Savage Garden* at 1301SW, Melbourne (2022); *Trade Secrets*, TCB Gallery, Melbourne (2022); *Walkaway*, Haydens, Melbourne (2021). He also co-directs the Artist-run initiative *Savage Garden*, Melbourne.
