# THE HEALING SESSIONS

On 12.10.2022. ALMA hosted the start of **ŽANETE SKARULE'S performance** series THE HEALING SESSIONS in synergy with Jette Loona Hermanis, Deividas Vytautas, Viktorija Martjanova and Anna Ansone.

Through a symbiosis of technology and contemporary performance created a meditative sensation—mental and tactile—available to any passerby. Aiming to investigate the role of VR beyond the technological realm, the performance merges the virtual and the physical, the private and the public, building a circular unity of Observer and Participant, inviting to see and be seen. THE HEALING SESSIONS bridges realities, aiming to reunite with our physical sensations.

Live sound dimension: Michael Holland, Jurģis Peters, Džesika Petere

Scenography: Kristians Aglonietis, Viktorija Martjanova

Technical support by Studija Lokomotīve, Ierakstu Māja

VR experience created by Žanete Skarule, Kalvis Kulačkovskis, Jette Loona Hermanis, Diāna Peitone, Ieva Aleksa, Filipš Smits, Alvis Misjuns
