Text:

Writhing in the opus
Never forget this
Reeling in the sweet grip
Never let this slip

Your eyes are yours to close
Never let go
Sleep is wrong
Sleep is wrong
Wrong
Sleep is wrong

Do not go gently
Into that good night
Rage against the
Dying of the light

When I grow up I'm never gonna sleep
When I grow up I'm never gonna cry
When I grow up I'm never gonna die
When I go out I'm never coming home

-lyrics from "Sleep is Wrong" by Sleepytime Gorilla Museum
