'Once more...with feeling'

A performance by Juliette Blightman

'Once more...with feeling', is a liberation.

14.06.2022 / 7:30 PM / BASEL SOCIAL CLUB

Spaces and rooms once allocated for specific functions co-exist seamlessly for any purpose. We are able to de swimming pools, gardens, toilets and bedrooms and whilst inevitably, there is no way to truly see oneself, water is a reflection of order and imaginary worlds, narratives that transcend time and space.

A performance in the pool with Lucia Pinter and Lidia Vigara Rodrigo
