

POOL

CARWASH COLLECTIVE AND
EMILY MAST, *POOL*

Pool will open with a performance
on Saturday, May 14 from 6 to 8pm.
The installation will remain on
view through June 11.

Pool is a performance and installation developed as a collaboration between CarWash Collective (Jennifer Minniti and Beverly Semmes) and Emily Mast in conjunction with the exhibition *Witch Hunt*, previously on view at the Hammer Museum and the ICA LA. The performance will showcase a new collection of CarWash garments based on Semmes's Feminist Responsibility Project, a series of mixed media works that were on display at the Hammer Museum as part of that exhibition. As a performance, installation, and collection of objects and garments, *Pool* addresses themes of exposure, concealment, reflection and distortion in relation to gender, sexuality and the self.
