Cuchifritos Gallery + Project Space is pleased to present *Cousin Table*, an exhibition with works by LES Studio Program Resident Joseph Buckley.

*Cousin Table* is a show of new sculptural works, which take as their starting points a diverse array of topics and concerns: the temperature of our politics, sleep paralysis, and fantasies of escapism.

**Joseph Buckley** is a British artist currently residing and working in Brooklyn, New York. Buckley's work has previously been exhibited across the United States, Europe, and Japan. <http://jbxviii.co.uk/works.html>
