*TRAVELLERS*  
February 11th - March 17th, 2023

My home is the road.  
I must travel til I die.  
Here in a cherry orchard  
No cherry blossoms bloom  
Dirty old town  
in dirt and muck  
Forgotten and unwanted  
I kiss my girl on the factory wall.  
Shining steel tempered in fire  
I will make a sharp axe  
To chop you down like an old dead tree.  
The one above  
Wasn't he a traveller  
He was nailed to a tree  
Star is awake  
A swan travelling across a pond.  
Come charmer give me a choice  
Groggy trailer  
Chrome charger  
Take the high hills for a home  
I must travel til the end.  
Meet battle ground  
Meet contagion  
Lily white  
Sank to the tomb  
I must travel til the end
