Miki Mochizuka "Skew"

2023. 3. 4 Sat - 4. 2 Sun

Opening reception 2023. 3. 4 Sat 14:00 - 18:00

MISAKO & ROSEN is pleased to announce our exhibition with Miki Mochizuka - Skew.

Miki Mochizuka was born (1974) and presently lives and works in Shizuoka, Japan.

Mochizuka's recent solo exhibitions include Shane Campbell, Chicago (2016),

Quadrangle, MISAKO & ROSEN (2014) and The Vangi Sculpture Garden Museum,

Shizuoka(2012-13). In 2014, he exhibited in "The way of painting" at Tokyo Opera City

Art Gallery.

Mochizuka's paintings are formed from ambiguous memories and abstract mental

afterimages. These elements are transformed by the artist in an act of convenience;

suddenly there is a deviation, a skewing of essence in favor of fact. In these new

paintings, Mochizuki eschews inessential brushwork in favor of the use of his bare

hand, resulting in a controlled imbalance. In this way, the physical process of painting

is also askew. Much like a cloud transforming or the unfolding of a Japanese fable, the

oversaturated paintings may serve to prompt a shifting sense of perception and

understanding.
