Divorced, father of two. We met twice. He was seeing another man. He was not in love with him. He said I could make him do things he wouldn't do like kissing on a first date. He said I was dangerous, and I said he was dangerous too. He liked the sound of my voice, and I liked the risk he took by listening to it. We said goodbye on the phone, one kiss after the other., c. 2022-2023
