STARFISH AND COFFINS
The book is a very short reflection on the nature of life, death and immortality. Would you rather be immortal in a world of immortals? What if you found a corpse under your bed? Loosely inspired by "Sign o' the Times", The Hives, Buster Keaton and Gustave Doré.
Production: Roi de Coupe and Fanta-MLN

MANIFESTE DU TIERS PAYSAGE
The book is "The Third Landscape" by Gilles Clement, rewritten using the Flowers dt font, in which every letter is a flower. The translation was from the French version. Loosely inspired by truetype font by Paul Chan.
Production: Roi de Coupe and NAM

THE ANARCHIST LOOKBOOK
The book is a chaotic collection of artworks connected to the act of dressing, unconventional outfits and more or less memorable anecdotes associated with the world of fashion. A tiny evidence of how what we wear can transform reality. Loosely inspired by Elsa Schiapparelli, Hussein Chalayan, the students and professors from Istituto Marangoni, Florence. Production: Roi de Coupe and Fanta-MLN.

DIGIUNO HARDWARE TREMORE... (FASTING HARDWARE TREMOR...)
The book is the M.A. thesis by Eleonora Torchio, originally entitled "Mathematical problems in the primary school: when the difficulties are in the text". An in-depth analysis of how problems are written in primary schools. Numbers and words, science and poetry.
Production: Roi de Coupe and Fanta-MLN.
