Foxy Production presents VIDEO STORE, an eclectic contemporary video exhibition featuring artists from Australia, Brazil, Mexico, the United Kingdom and the USA. Artists include: Inez Cabral de Melo, Ellen Cantor, James Davis, Rachel Reupke, Alberto Roblest, Edgar Villegas Estrella, Abbey Williams, and Matt Wolf. Gallery visitors can self-select from a diverse range of engaging video work.

Video Store is inspired by the principle of the local video store, where a substantial media collection, appearing largely uncurated, seems able to provide consumers with broad cultural choices.
