Open with a joke
Take something
Do something to it
~~Do something else to it~~
Smarter not harder
Self-sabotage
Keep it simple, stupid
Delegate
More layers
Undo
Reinvent the wheel
"What is real?"
Practice, practice, practice
Double-down
Reverse psychology
Good things come to those who wait
Fake it
First thought, best thought
Retrace your steps
If you want something done right...
Give it a rest
Fresh set of eyes
Double take
Exit strategy
