“Face It”

January 23 – March 9, 2015

“Face It” is an injunction to accept a situation on its own terms. It is a plea for directness. But, as it often happens, the times when someone tells you to “face it” are exactly those times when you do not accept the same “it” that your interlocutor has proposed.

With works by **Kelly Akashi, Sascha Braunig, Ian Campbell, Lila de Magalhaes, Adam Gordon, Nicholas Johnston, Kate Kendall, Dwyer Kilcollin, Eric N. Mack, Maynard Monrow, Joshua Petker, Eleanor Swordy, and Marcus Zilliox.**
