We Are Here

Opens to public: Friday, May 28, 2021

Jessica Silverman is pleased to announce the inaugural exhibition of its new space and location at 621 Grant Avenue in San Francisco's Chinatown. Titled "We Are Here," the group show features paintings, sculptures and photographs by 31 gallery artists and friends.

We..... rejoices in our artist community and the joyful sociality of art viewing.

Are..... extols presence, survival, being alive to our senses, engaged with art.

Here..... celebrates the real world, architecture and the grounded physicality of public place. After a difficult year, we are grateful to be here!
