Whether it is a case of believing someone has long since died, although he or she is still in fact enjoying the best of health, or singing song lyrics with the wrong words – when many people collectively remember things falsely, we speak of the Mandela effect. It could never happen to you, right?

A look at our examples might prove you wrong.

Or also very popular – how many states are there in the United States?

A. 50

B. 51 C. 52
