

# *Psychoangels*

— Chloe Seibert

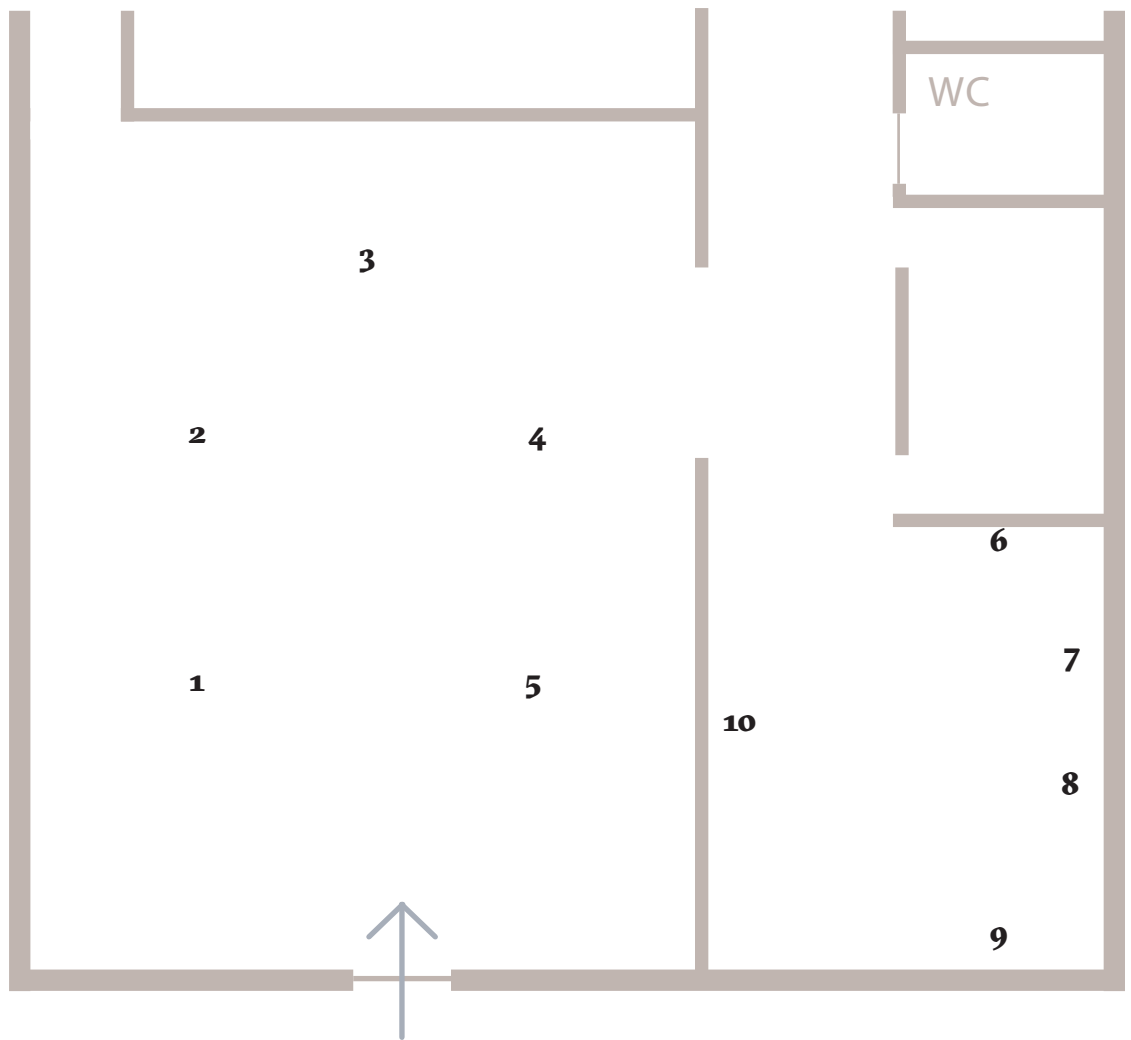

November 17, 2023- January 21, 2024

MICKEY is pleased to present *Psychoangels*, Chloe Seibert's second solo exhibition with the gallery.

Chloe Seibert's work explores desire, societal performance, and insurgency. *Psychoangels* presents five anthropomorphic animal/human hybrid figures adorned in elaborate battlesuits rendered in ceramic and accented with body piercings and silver chains. The works are in varying states of completion/decay, implying a narrative of past use, and presented like relics under bright spotlight. Accompanying these figures are five wall mounted porcelain and stoneware breastplates. In this new body of work, the artist deepens her exploration of the avatar, weaponizing fantasy and mutable identity.

Chloe Seibert (b. 1989, New York) lives and works in New York. Recent exhibitions include *ASHES/ASHES* (New York), Chris Andrews Gallery (Montréal), and No Place Gallery (Columbus).
